MPSEOC COLLEGE FAIR

Next **Monday, September 23rd**, Montana Tech will host our seasonal MPSEOC (Montana Post Secondary Education Opportunities Council) College Fair.

Students from surrounding high schools will be on campus and in the HPER Complex. Guests have been asked to park in both our library parking lot and the parking lot behind the HPER. Please be aware that parking may be limited and alternative forms of transportation may be required to get to main campus. The college fair is scheduled to run from 9:00 am - 11:00 am, so please plan accordingly. We apologize for any inconvenience this may cause and greatly appreciate your understanding. In addition, if you see any MPSEOC visitors on campus please feel free to welcome and engage with them. This is your opportunity to show high school students why you love the Oredigger family!
