FIRST (FALL) SEMESTER 2024 FINAL EXAM SCHEDULE

Accreditation standards require that all classes meet during the final week of the Fall Semester (December 9-13, 2024). There are no exceptions to this requirement. Students taking classes offered through other MUS Units or Universities should check finals schedules for those institutions, as their final exam schedule may vary from what is printed below.

The final week schedule, during which final exams may be given, is generally based upon the first regular class meeting day/time during the semester. For example, the final for a class that meets Monday - Thursday (MTWR) from 2 – 2:50 p.m. is based on the first meeting day (Monday at 2:00), and therefore is scheduled on Monday, December 9th at 8 a.m. The final for a class that meets Tuesday & Thursday (T/R) or Thursday (R) only at 11:00 a.m. is scheduled Thursday, December 12th at 11:30 a.m. Each final class is scheduled to meet for 2 hours, although instructors are authorized to go an hour longer, if needed. Examinations will be held in the regularly scheduled classrooms. **Please note: No labs will be scheduled during this week. Lab finals may be given during the lecture period or at the regular class time the week prior.**

Those instructors & students involved in evening classes (classes that meet at 5:00 p.m. and later) should refer to the 7:00 p.m. exam time each day and the information printed below*.
