

Course Application

1. Course number and title

2. Course credits

3. Course prerequisites

4. Last semester offered

5. Next semester offered

6. Course outcomes

The is a performance course where the students will have made from 4 to 7 musical performances each semester (one concert per semester and 4 to 6 performances at athletic events). By performing music they will have gained a greater insight into the variety of concert band literature, the role of the individual musician in a group performance, and improved their individual and group performance.

7. General education student outcomes students taking this course will satisfy:

- Students will be able to use writing as a means to engage in critical inquiry by exploring ideas, challenging assumptions, and reflecting on and applying the writing process.
- Students will be able to speak with clarity, accuracy, and fluency in public contexts.
- Students will be able to reason analytically and quantitatively at an algebraic level.
- Students will be able to use an understanding of the physical and natural world to identify and solve problems.
- Students will demonstrate an understanding of ethics, cultural endeavors, and legacies of world civilizations.
- Students will be able to describe the biological, social, political, and economic forces that influence human behaviors and attitudes.
- Students will be able to demonstrate the processes and proficiencies involved with creating and/or interpreting creative works.
- Students will be able to demonstrate proficient critical thinking skills.

8. Please attach or include the following:

- CRC paperwork with approval (if applicable)
- Course syllabus
- A summary of course assignments that address the student outcomes checked in (7). Use space below.

Mus 114 is a performance course. Each semester students will participate in a one concert and 4 to 6 performances at athletic events. The student will study and perform a variety of concert band literature, improve individual and group reading and playing skills, and develop an understanding of their role as a performer in a group.

Synopsis: The Montana Tech Band is provides a performing outlet for all interested Montana Tech woodwind, brass and percussion players. The band explores a wide variety of repertoire to address the diverse interests and desires of its student population and the enjoyment of the audience. The band practices once per week and performs at 4 to 6 athletic events and gives one major concert each semester. In addition the band provides music for graduation and other events during the academic year (inauguration, reunions, etc.).

Membership:

Open to all woodwind, brass, and percussion players that have had high school instrumental music experience. Students must be able to read music. No audition is required for participation in the band.

General Education Core (pending approval)

MUSI 114 may be repeated up to 8 times. A maximum of three credits MUSI 114 may be applied towards fulfilling Montana Tech's Humanities/Fine Arts General Education requirement.
